D'AILLEURS

&

Youth and mobility

European Volunteering

European Solidarity Corps

WHERE

Throughout Europe and in neighboring countries (ex : Géorgie, Arménie ...)

DURATION

All year long
From 2 weeks to 2 months for short-term volunteering
From 2 months to 12 months for long-term volunteering

TOPIC

Solidarity, inclusion, reception and integration of refugees and migrants, citizenship and participation, environment and protection of nature, health and well-being, education and training, employment and entrepreneurship, creativity and culture, sport, etc.

OBJECTIVES

- Enable young people to live a positive and enriching experience.
- Developing skills: knowledge, attitudes and skills of young people.
- Develop the socio-professional integration of young people through the valorisation of skills acquired through volunteering.
- Implement solidarity actions in favour of a local community.

TARGET GROUPS

Young people (18-30 years old).

ACTIVITIES

Activities of solidarity and commitment and of general interest for a local community (workshops for vulnerable groups, holding events ...).

IMPACTS

- Development of cross disciplinary skills of young Martinicans.
- Establishment of solidarity activities for the local population.
- Development of citizenship, solidarity and youth engagement.
- Setting up information and preparation meetings for young people in Martinique.

PARTNERS

Associations from different European countries.

FUNDED BY

European Solidarity Corps.

If you live in Martinique and are looking for a supporting association for a particular volunteer project, do not hesitate to contact D'Antilles et D'Ailleurs as they can help you in getting prepared.

RESOURCES

(click on the links below)

- Mobility promotion video made with young people on the move with D'Antilles et D'Ailleurs.
- Experiences of Steeven who left for European Voluntary work in Cyprus.
- Testimonies from young people from Lamentin and Ducos who left with the European Solidarity Corps.
