Go Volunteer

**Objectives**

- Equip volunteers with new skills, attitudes, knowledge and tools to be able to promote their employability.
- Encourage reflection, exchange and the sharing of ideas between young volunteers around the added value of educative mobility.
- Encourage the participation of young Martinicans in European and International educational mobility in the short and long term.
- Democratise and share information on existing European and international mobility systems.

**Target Groups**

Young people 18-30 years old.

**WHERE**

Italy, Spain, Portugal

**DURATION**

2018-2019

**TOPIC**

Youth, Volunteering, educational mobility, commitment
**Activities**

5 two-month volunteer schemes carried out in pairs, have been set up:

- 2 volunteering schemes in Italy around the implementation of educational activities for migrant children;
- 1 volunteering scheme in Spain, in the Canary Islands, on the creation of artistic and cultural activities for children;
- 2 volunteering schemes in Portugal around the implementation of educational activities for children, and information activities on European mobility for young people in Faro.

**Impacts**

- Development of skills (knowledge, attitudes, skills) of young Martinicans: taking initiative, autonomy, project management, budget management, open-mindedness, linguistic competence in English / Portuguese / Italian / Spanish.
- Development of youth engagement, citizenship and solidarity values.
- Strengthening of the partnerships between Martinican and European organisations.

**Partners**

D’Antilles & D’Ailleurs (coordinator), ECOS (Portugal), CESIE (Italy), Mojo de Cana (Spain).

**Funded by**

Erasmus+
