Let's get involved

**WHERE**
Greece

**DURATION**
October - November 2017

**TOPIC**
Youth, Volunteering, educational mobility, commitment

---

**Objectives**

- To offer a chance to the young people involved in this project to personally engage in activities at a European level to develop their skills.
- Foster mutual understanding between young people from different countries.
- Promote solidarity and tolerance and strengthen ties between young people and other generations.
- Promote the active citizenship of young volunteers and offer them the opportunity to play an active role in the development of the host community.

---

**Target Groups**

Young people between 18-30 years old.
**ACTIVITIES**

Volunteering for 2 months for 2 young Martinicans:

- Facilitation of weekly workshops for children on creating works of art from salvaged objects;
- Organisation of ecological and social events aimed at protecting the environment and social solidarity;
- Mobilisation and awareness of young people from Lefkas in order to organise activities to increase the use of local products;
- Participation in the feeding of the Green O’Clock e-magazine employees, in partnership with young people from the host community;
- Preparation and dissemination of audio-visual tools for displaying the results of their activities and initiatives.

**IMPACTS**

- Development of skills (knowledge, attitudes, etc) of young Martinicans: taking initiative, autonomy, project management, budget management, openness-mindedness, linguistic competence in English / Greek.
- Development of youth engagement, citizenship and solidarity values.
- Strengthening of partnerships between organizations in Martinique and Greece.
