TOPIC

Inclusion, project management, Erasmus+, youth

OBJECTIVES

The MARTINIQUE PLUS project offers training to understand and learn how to use European mechanisms for the purpose of socio-educational activities carried out at local level to support young people with fewer opportunities, followed by support for the submission of projects.

TARGET GROUPS

- Associations.
- Youth workers.
- Municipalities.

D'ANTILLES ET D'AILLEURS ET LE

TI DÉJEUNER DE LA MOBILITÉ

ACTIVITIES

Training cycle of three half-days covering :

- Understanding Europe's approach ;
- Simulating the submission of a project ;
- The European dimension and local anchoring of a project.

The pedagogical team uses non-formal education methods to facilitate participants' learning and make it interactive. The practical methodology will allow beneficiaries to design a project in response to managers' concerns, to build and formalise a partnership, to increase the provisional budget and to finalise the grant application. The support is both collective and individual.

IMPACTS

- 40 trained professionals.
- 23 educators and animators who went on a mobility programme.
- 6 structured groups trained.
- 9 individual support sessions carried out.

FUNDED BY

Co-financed by **The Overseas Ministry** and **Fort-de-France Municipality**.
