**React-Act-Prevent** Sexual Violence Through Youth Work

**WHERE**
Cyprus, Greece, Spain, Poland, Martinique

**DURATION**
February 2018 - September 2020

**TOPIC**
Prevention, awareness, sexual violence, youth work

---

**OBJECTIVES**

- Provide youth NGOs with innovative and comprehensive tools and means to successfully adopt, plan and implement prevention policies, strategies, programmes and practices to address sexual violence against children; teenagers and young people.
- Using online campaign tools to raise awareness of sexual violence and to creatively involve all target groups.
- Provide a comprehensive set of innovative e-learning and training tools that can be adopted by youth NGOs.
- Raising awareness among young people of the dangers of sexual violence and the means of protection, and whether they have been, or are at risk of being victims: seeking help and support.

**TARGET GROUPS**

- Members of the NGO Board, Directors.
- Staff of NGOs, researchers, practitioners, experts, specialists.
- Youth workers and volunteer facilitators, mentors and coordinators.
- Active volunteers of youth NGOs, providing support and assistance to youth initiatives.
- Children, adolescents and young people, especially those with fewer opportunities, who face social or financial barriers, the disabled, refugees, migrants, the unemployed and others, directly benefiting from youth initiatives.
- Stakeholders from public authorities, government officials and decision makers involved in the youth sector.
ACTIVITIES

- Mobilities for youth and youth stakeholders around the prevention of sexual violence.
- Implementation of online challenges to make young people and youth actors aware of the fight against sexual violence.
- Creation of an online platform including modules created in favour of youth actors to set up activities to prevent and combat sexual violence.
- Set up coordination meetings with project partners.
- Creation of an online forum and open space to increase the accessibility of information.
- Creation of a booklet on European laws and practices on the prevention of sexual violence.

IMPACTS

- Development of the skills of youth policy workers for the prevention and fight against sexual violence among young people.
- Participation of 4 young people and actors in educational mobilities around the theme «The fight against sexual violence».

PARTNERS

United Societies of Balkans (USb-Greece), Building Bridges (Spain), Social Policy and Action Organization (Cyprus), Health related Organization for Promotion and Prevention (Pologne), D’Antilles & D’Ailleurs (Martinique).

Funded by

European Commission under the Erasmus+ Programme.
