The European City Network (EC-NET) is a "network of networks" based on the experience of 15 partners such as municipalities and associations that have worked on the Europe for Citizens programs. The objective of the project is to bring together again these experienced municipalities, civil society associations and their citizens in order to evaluate the long-term impact of the projects implemented as a "network" during 10 years for the promotion of European citizenship and the encouragement of democratic and civic participation.

**Impacts:**
- Networking at local and European level
- Exchange of good practices
- Sharing of an EC-NET toolbox (methodologies from 15 partners)
- EC-NET recommendations

**Objectives:**

**Location:**
Albania, Bulgaria, Croatia, Italy, Martinique, Poland, Slovenia, Spain

**Date:**
11/2020 – 10/2022
