PATCHWORK (SEWING WORKSHOPS)

Objectives:
- Promote the socio-professional inclusion of a group of migrant women in very vulnerable situations through the learning of sewing and the creation of a production space
- Raise awareness among local communities about responsible consumption and waste reduction
- Develop an economic and operating model for the production workshop to ensure the sustainability of the space and generate income for the women

Impacts:
- Income generation for the women trained through the sewing workshop
- Progressive exit from prostitution for the beneficiary women
- Creation of a local dynamic around washable baby and feminine hygiene products
