PATCHWORK (MOBILE WORKSHOPS)

Objectives:
- Raise awareness in local communities and promote responsible consumption, eco-gestures, recycling and reuse and facilitate waste reduction through mobile workshops
- Create a dynamic and promote the eco-responsible productions of the sewing workshop
- To allow access to eco-responsible and ecological products to vulnerable populations

Impacts:
- 350 people made aware of eco-gestures and home economics
- 16 neighborhoods/territories impacted
- Creation of a local dynamic around washable baby and feminine hygiene products

Location: Martinique - Fort-de-France
Date: 11/2020 – 11/2022
Subject: Eco-responsibility, Sustainable Development, Ecological awareness, DIY
Targets: The residents of Martinique, especially young couples, young people and single-parent families most in difficulty and distant from issues related to the environment.
